Negotiations are also being made to re-schedule the boys' basketball game against Camden Frontier on November 26<sup>th</sup>.

Mr. Irelan presented his principal's report.

Mrs. Griffiths presented her principal's report.

Mr. North briefly discussed the comparison between the two bonding companies, PFM and Umbaugh. The football field/baseball outfield is in bad shape from the long football run and all of the rain. There is a possibility of additional tiling as well as some fill dirt being brought in to repair the damage to the field. Mr. North was pleased with the incentive grant requests received for this school year and each request will be granted something. The Hillsdale ISD has been very supportive, allowing Amanda Tobin to assist in the implementation of MiBLSI. Water sampling has been conducted within the school buildings and the results were all good.
