## “A Great Place to Learn”

5-31-18

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Reynolds Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dennis Irelan for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/BtreRg> or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified as having a label.

## REYNOLDS ELEMENTARY SCHOOL

“A Great Place to Learn”

Our challenges are getting students to be less truant. We are working with the local probation officer in the county to help lower these numbers. Improving attendance should result in higher literacy rates for our students.

1. We are a small district so students are assigned to the teacher at their grade level.
2. All school improvement plans are being implemented, both short term and long term.
3. We do not have specialized schools in our district.
4. A copy of the core curriculum is available upon request.
5. Our building uses the NWEA results and are available to the parents throughout the year.
6. Our school had 94% attendance rate for parent teacher conferences.

I am proud and encouraged by the great growth and hard work that our staff and students put in on a daily basis. Reynolds Elementary School is a great place to learn.

Sincerely,

Dennis Irelan
